The Full English

The Full English was a unique nationwide project unlocking hidden treasures of England’s cultural heritage by making over 58,000 original source documents from 12 major folk collectors available to the world via a ground-breaking nationwide digital archive and learning project. The project was led by the English Folk Dance and Song Society (EFDSS), funded by the Heritage Lottery Fund and in partnership with other cultural partners across England.

The Full English digital archive (www.vwml.org) continues to provide access to thousands of records detailing traditional folk songs, music, dances, customs and traditions that were collected from across the country. Some of these are known widely, others have lain dormant in notebooks and files within archives for decades.

The Full English learning programme worked across the country in 19 different schools including primary, secondary and special educational needs settings. It also worked with a range of cultural partners across England, organising community, family and adult learning events.

Supported by the National Lottery through the Heritage Lottery Fund, the National Folk Music Fund and The Folklore Society.

Here We Come A-Wassailing

An arrangement of a folk tune from Newcastle for Wind Band and optional choir by Ian Stephenson.

As part of The Full English learning programme, Ian Stephenson worked closely with Edwin and Jessica Holmes in the Music Department at Durham Johnston Comprehensive School, Durham. Four pieces of music were commissioned for the school ensembles based on original manuscripts of traditional tunes and songs from the North East. Three pieces had their debut at a folk themed school concert on 27 March 2014.

The pieces are:

- **The Summer's Morning** for Senior Orchestra
- **Down the Wagon Way** for Junior Orchestra
- **Winlaton Calling On Song**, in two arrangements – one for Wind Band, and one for Senior Orchestra
- **Here We Come A-Wassailing** for Wind Band and optional choir

You can freely download the score and parts for all these pieces at www.efdss.org/resourcebank.
